
Kenneth Levad & Angelica Jestrovich

Last Updated: January 26, 2016

Objective

Kenny Levad and Angelica Jestrovich are a married couple seeking a paid position, including a site with full hookups.

Background

Kenny has 20 years experience in food service and kitchen management. He is a self-directed worker with an attention to detail who has expertise in food prep, catering, and preparing food for a busy Whole Foods location in Denver. His experience in the kitchen has developed his strong skills in leadership, management, and communication.

Kenny is an enthusiastic worker with strong customer service skills. He is a constant home-tinkerer and is comfortable with a number of power tools. His projects include rebuilding the floor of a 1968 travel trailer, laying sod, building loft beds, and much more. He holds a Bachelor's degree in English.

Angelica holds a Bachelor's degree in English and has worked as Chief of Staff for an independent publishing company in Denver, CO for the past five years, giving her experience in management, strategic planning, web development, and digital marketing. She possesses strong written and verbal skills and can quickly learn new computer software and systems.

Angelica also has experience in food service, including being a shift manager, short order cook, and barista. Her customer service experience stretches back to when she worked at her grandparent's amusement park every summer from the age of six. She is also a former dancer who has taught classes for children ages 4-16.
